Chamber Member to Member Discount Program

The Chamber's "Member to Member Discount Program" is a great way to solicit new customers and introduce your business to fellow members. Simply provide the Chamber with information about the type of discount you are willing to offer other Chamber members. Each month, the Chamber will include an insert in the newsletter and on the website listing the participating members and the discounts being offered.

Choose a discount that is appropriate to your business; (examples); *10% discount off any item or service; 10% discount on services provided for a first time customer; FREE consultation; a discounted rate for monthly services, etc.*

The Chamber makes no demands on the amount of discount to be given, only that a discount or something of value be given if the purchaser properly presents a valid, current Greater Dade City Chamber of Commerce Membership Card. However, the amount of discount or item listed below will be the minimum incentive given on each transaction.

By signing below, your company agrees to participate in this program by offering to fellow Chamber members a discount on purchases made with a valid Membership Card to be provided by the Chamber to all interested members.

You may withdraw or make changes at any time to this discount/ item offered by sending written notice to the Greater Dade City Chamber.

All discounts and services will be evaluated prior to acceptance into the program.

To participate, complete the form below and return via mail/fax 352-567-3770/email info@dadecitychamber.org.

There is no charge to participate in this discount program, but you must be a Chamber Member.
